SW Main Street Road Closure on Friday Oct. 31 Weather Permitting

This notice is to inform you that SW Main Street will be closed on Friday October 31, 2014 for the placement of asphalt within SW Main Street between SW Columbia Street and SW Division Street. A detour route will be marked using SW Railroad Street to SW Pine Street to SW Willamette Street to SW Park Row Avenue to SW Division Street. Please see the attached detour map.

Pedestrian access will be closed along the west side of SW Main Street south of SW Columbia Street. Pedestrians will be detoured to the east side of SW Main Street.

Driveway access to local residents will be maintained. Please note the location of the construction activities to know from which direction to access your driveway.

The short term closing of SW Main Street is dependent upon weather and may be postponed if weather does not allow for paving of the street.

The City regrets any inconvenience the temporary road closure may cause and appreciates your patience with this construction work.

If you have any questions, please contact Craig Christensen, P.E., Project Manager at (503) 925-2301 or christensenc@sherwoodoregon.gov.
